PROFESSIONAL SUMMARY

Emergency Physician trained in managing high-acuity, undifferentiated patients in fast-paced ED settings. Calm under pressure, organized, and team-oriented, with strong communication and leadership skills. Committed to timely, patient-centered care, performance enhancement initiatives, and efficient ED operations.

COURSES & CERTIFICATIONS

- American Heart Association certified: Basic Life Support (BLS, 2023), Advanced Cardiac Life Support (ACLS, 2023); Pediatric Advanced Life Support (PALS, 2023)
- American College of Surgeons certified: American Trauma Life Support (ATLS, 2024)
- Maternal Resuscitation Programme (ICMR Funded; Dept. of Emergency Medicine, KMC Manipal, 2024)
- Basic Course in Biomedical Research (2024)
- Good Clinical and Good Laboratory Practice (2024)
- Biostatistics in Public Health (Johns Hopkins University, Online certification Course, 2025)

KEY COMPETENCIES

- Airway management
- Trauma resuscitation
- Point-of-care ultrasound (POCUS)
- Advanced procedural skills
- Fracture reductions and Splinting
- EM Critical care
- EM Palliative care and communications
- ED Administration & Operations
- Disaster management
- Clinical research
- Evidence based medicine
- Public Health oriented emergency care

AREAS OF INTEREST

- Pediatric Emergencies
- Point-of-care ultrasound
- Quality Improvement
- Acute trauma management
- Toxicology & Envenomation

WORKSHOPS AND CONFERENCES

- EM Kerala- Pediatric Emergency Workshop
- IAPPEM-NAPEM 2026
- Pediatric Trauma Resuscitation Module, NAPEM 2026
- Annual Board Review—NEMBRIC, AIIMS Delhi, 2025
- Critical Care MaC-VENT Workshop, 2025
- Poster & Paper Presentation - EM Karnataka, 2024
- CPC Presentation - EM Karnataka, 2024
- Poster Presentation - Manipal Quest, 2024
- Paper Presentation - Young Investigators' Scientific Presentation, MCOPS Research Day, 2024
- Bioincubator Med Tech Hackathon, 2024
- CPC Presentation - WACEM, 2023
- **Organizer**—Disaster Tabletop Exercise, DIMEDCON, 2024
- **Organizer**—Manipal Quest 1.0, 2024
- **Organizer**—Conclave Mirror on Indian Healthcare, Newer Perspectives in Public & Global Health, Emergency Medicine and Disaster Medicine, 2024
- **Organizer**—Disaster Tabletop Exercise, International Day for Disaster Risk Reduction, 2024
- **Facilitator**—BLS & First aid training, KMC Manipal (2023-2025)

AWARDS AND HONORS

- Distinction - MD Emergency Medicine
- First Prize - EM Karnataka Quiz competition, 2024
- Second Prize - Cardiology CME ECG Quiz, 2023

LANGUAGES

- English
- Hindi
- Marathi
- Kannada
- Konkani
- Malayalam

EXTRACURRICULAR INTERESTS

- Running, Swimming
- Illustration and Painting
- Fiction & Literature
- Artisan Baking

EDUCATION

MD Emergency Medicine 2022-2025
Kasturba Medical College, Manipal.
Manipal Academy of Higher Education, Manipal.
KMC : 156327

MBBS 2016-2022
SMBT Institute of Medical Sciences and Research Centre, Nashik.
Maharashtra University of Health Sciences.
MMC : 2022/06/3108

Primary, Secondary and Higher Secondary Education
Smt. Sulochanadevi Singhania School, Thane. 2007-2016
Vasant Vihar High School, Thane. 2002-2006

RESEARCH & PUBLICATIONS

ORCID ID: 0009-0008-9480-964X

PG Dissertation: Utility of Point-of-care Ultrasound in predicting variceal etiology of Upper Gastrointestinal Hemorrhage in the Emergency Department.

DIGITAL HEALTH & INNOVATION

https://ped-resus.vercel.app/

Developed PedResus, a progressive web application designed as a rapid-access clinical decision-support tool for pediatric resuscitation in emergency settings. Focused on improving cognitive offloading and protocol adherence in high-acuity scenarios through structured, user-centric design, with emphasis on usability in time-critical environments.

PROFESSIONAL EXPERIENCE

Senior Resident

January 2026 - Present

Father Muller Medical College, Mangalore

Independently managing rapid assessment, resuscitation, and definitive care of undifferentiated medical, surgical, and trauma cases with strong procedural expertise. Overseeing ED workflows, clinical care, and interdisciplinary coordination. Actively involved in teaching, research, audits, simulation-based training, and quality improvement initiatives; mentoring students and facilitating integration of theoretical knowledge with real-time emergency care.

Course Co-ordinator

April 2026 - Present

BSc Emergency & Trauma Care; RGUHS-AHS

Father Muller College of Allied Health Sciences, Mangalore

Coordinating academic and clinical training for undergraduate students in emergency & trauma care, including curriculum delivery, teaching schedules, and skill-based sessions. Involved in organizing assessments, simulation-based learning, and competency-focused training aligned with university standards.

Emergency Critical Care — EDCRIT

October 2022 - October 2025

Kasturba Hospital, Kasturba Medical College, Manipal

36 months of full-time clinical service in the dedicated high-acuity ED Intensive Care Unit (EDCRIT) directly attached to the Emergency Department. Advanced mastery across mechanical ventilation, invasive monitoring, POCUS, RRT, ARDS management & prone positioning, mastering multidisciplinary resuscitation leadership.

Junior Resident

October 2022 - October 2025

Kasturba Hospital, Kasturba Medical College, Manipal

Completed a 3-year residency in Emergency Medicine with extensive experience managing critically ill adult and pediatric patients in a dynamic emergency care setting. Trained in evidence-based stabilization across diverse emergencies and advanced procedures, while contributing to teaching, research, and quality improvement initiatives, simulation based training and protocol development.

Internship

May 2021 - April 2022

SMBT Institute of Medical Sciences and Research Centre, Nashik

Completed a 12-month structured internship with strong exposure to clinical and procedural skills across multiple specialties. Served in a dedicated COVID hospital, contributing to patient care and quality improvement initiatives. Gained experience in critical care and multidisciplinary management, with involvement in community and rural health programs.
